

PATRIOT HOUSING PROJECT

VETERANS ARE FACING TREMENDOUS CHALLENGES:

- On any given night there are over 48,000 homeless veterans.
- 495,000 unemployed veterans and 6.5 million underemployed veterans at present.

With your help Tri-County Veterans Support Network wants to help solve this problem in our area.

When you build a home through the Patriot Housing Project, not only are you purchasing a home of great quality using the latest innovations and technologies in home construction but you also provide gainful employment to veterans building your home.

When building your home with us, you will be making a patriotic and altruistic social investment which will also help provide a tremendous solution for veterans and their families in need with a portion of the proceeds going to provide affordable housing, emergency relief funds to help veterans in crisis as well as career development assistance to help veterans find a great career.

Through the PATRIOT HOUSING PROJECT, in partnership with innovative and generous builders, investors and other patriots in our community we can help solve these problems that plague our veterans.

TRI-COUNTY VETERANS
SUPPORT NETWORK

About Us:

Tri-County Veterans Support Network is a 501(c)(3) comprised of many veteran service agencies from across the Charleston Tri-County area. We are committed to collaboratively working together to identify veterans and families in crisis in our community and help them navigate their way to stability.

In 2016, we identified and served approximately 533 veterans and families in crisis.

For more information about how to build your dream home or sponsoring this project contact us:
